| Goal Conversion (%) | 9.58   | 9.41        | 11/20 |

Nel benchmark 2025 il Torino è vicino alla media per gol, ma il volume/qualità delle occasioni non è tra i migliori della Serie A. La conversione va letta insieme allo xG.

Benchmark: Soccerment team dataset supplied by user, Serie A 2025. Historical benchmark only.

# Chance Creation

| METRIC                       | TORINO | SERIE A AVG | RANK  |
|------------------------------|--------|-------------|-------|
| Touches in Opp. Box          | 748.00 | 832.30      | 11/20 |
